Explore Wellbeing

Discover the perfect blend of convenience and eco-conscious living in this exceptional location. Situated amidst a plethora of amenities, including picturesque parks and peaceful pathways by the river, every day presents an opportunity for outdoor adventure and relaxation. Avenues was designed with people and community in mind offering local residents a better living environment that not only enhance your quality of life but also minimizes your ecological footprint. Embrace a lifestyle that harmonizes with nature without sacrificing the comforts of urban convenience in this meticulously crafted residential gem.

Improved open spaces, including new green space and public areas that are easy to walk through and successfully link the different parts of the site.

Much needed new houses and apartments, including affordable homes across the site.

Opening up opportunities for Watford General Hospital so that it is not confined by its current footprint.

Better access and modern infrastructure.

New business and work opportunities with premises and facilities to attract new occupiers, creating new jobs.

The clearance and opening up of the banks of the River Colne.
